

Mailing Bags & Envelopes

Padded Mailers

These puncture and moisture resistant mailers keep items safe during shipping.

- Fiber padding expands as package is handled, absorbing shock and protecting contents from damage.
- Self-Seal Mailers feature adhesive strip for quick and easy sealing. Available in golden Kraft and White.
- Open End Mailers can be taped or stapled closed.

Bubble Mailers

3/16" Bubble-lined Mailers provide lightweight protection for your products.

- Self-Seal Mailers feature adhesive strip for quick and easy sealing. Available in Kraft and White.
- Tear Strip Mailers also feature a convenient pull tab that allows for easy opening without damaging contents.
- Self-Seal Poly Mailers have a polyolefin exterior that is moisture, tear and tamper resistant.
- Use heat, tape or staples to close Heat-Seal Mailers.

Paper Envelopes

Opaque 28# paper stock prevents viewing contents. All are available in kraft and white.

- Self-Seal Envelopes have a removable strip that provides a clean, quick seal immediately upon contact.
- Redi-Seal Envelopes do not need moisture to seal. Simply fold, press and mail.
- Gummed Envelopes feature a deep gumming for a secure seal and quality seams that are tested for strength.
- Clasp Envelopes have a reinforced metal clasp that allows the envelopes to be reused. For a permanent seal, moisten the gummed flap and press closed.
- Kraft Inter-Department Envelopes are perfect for circulating inter-office mail because they have printed columns stating Date, Deliver To, Department, Sent By and Department and close with a string and button for repeated use. The 10" x 13" size is also available in four different colors: Red, Yellow and Blue.
